

# SPECIAL CHARACTER/DEFINITION OF THE VEHICLE LENGTH AND HEIGHT

When booking, we require the overall dimensions of the individual vehicle

## Categories (further information you can find in General terms of transport and in our price lists)

- **Car cat. 1:** valid only for **motorcycles with sidecars, quads, trikes or cars** up to 4 m long and 2,20 m high. A height more than 2,20m is only allowed for roof baggage, an over-height\* surcharge is applied. Empty or laden vehicles and delivery trucks of every type which are foreseen for the transportation of merchandise are not allowed. Please note: in case of bicycle transport see "Bicycles". Special rates "Best Offer" applicable due to availability. **PLEASE NOTE THE RESPECTIVE CONDITIONS.**

- **Car cat. 2:** valid only for **cars** from 4 up to 5 m long and 2,20m high. A height more than 2,20m is only allowed for roof baggage, an over-height\* surcharge is applied. Empty or laden vehicles and delivery trucks of every type, which are foreseen for the transportation of merchandise, are not allowed. Please note: in case of bicycle transport see "Bicycles". Special rates "Best Offer" applicable due to availability. **PLEASE NOTE THE RESPECTIVE CONDITIONS.**

- **Van cat. 3:** valid only for **cars, Van, Jeep, SUV** up to 5 m long and 2,20 high, but larger than 1,85 m. A height more than 2,20m is only allowed for roof baggage, an over-height\* surcharge is applied. Empty or laden vehicles and delivery trucks of every type, which are foreseen for the transportation of merchandise, are not allowed. Please note: in case of bicycle transport see "Bicycles".

Special rates "Best Offer" applicable due to availability. **PLEASE NOTE THE RESPECTIVE CONDITIONS.**

- **Special vehicles:** applicable to **minibuses from 9 seats, pick ups, campers, caravans, trailers and all other cars over 5 m long.** Empty or laden vehicles, delivery trucks of every type up to 6m lengths, which are foreseen for the transportation of merchandise, are allowed. **(Delivery trucks longer than 6m are not considered as special vehicles, but as freight vehicles).** Over-height surcharge (if specified) is applied from 2,21 m. Minimal lengths will be calculated (see price list). Special rate "Camper-Pex" allowed, if applicable and length limits respected. **PLEASE NOTE THE RESPECTIVE CONDITIONS.**

- **Bicycles:** bicycles can be parked in the garage against payment. If bicycles are transported on a rear baggage carrier this total length has to be considered choosing the car category. Transporting them on a roof baggage carrier, over-height surcharge is applied from 2,21 m total car height. Attention: that's why some special rates are not applicable. **PLEASE NOTE THE RESPECTIVE CONDITIONS.**

\* **Over-height: an over-height surcharge will be applied (if not otherwise specified) for all cars from 2,21 m height and possibly roof baggage/bicycles over 2,20 m total height. For example, special tariff "Best Offer" with over-height not applicable. PLEASE NOTE THE RESPECTIVE CONDITIONS.**
