The term "passenger" designates any person transported in accordance with the present general terms of passenger and vehicle transport by and on the part of the transport company, the transport company's and the ship commander's Italian and foreign regulations and orders (both those of the contractual transport company and the transport company actually carrying out the transport). [Italian Civil Code] and the European regulation CE/392/2009. Therefore, the passenger also has the right to proceed against the latter. Further, in case of complaints concerning the contractual company or the company carrying out the transport, the passenger may contact Moby S.p.A. Complaints will not be taken into account if Moby S.p.A. Milano or Moby Lines Europe, Wiesbaden has not received it within 30 days after the date of departure (by ship).
