UNSERE HAFENBÜROS - OUR PORT AGENTS - NOS AGENTS POUR LES PORTS

GENERAL TERMS OF TRANSPORTATION OF THE MOBY S.P.A., MILAN

The following general terms of transportation are available at all ticket desks, Moby S.p.A. company offices, Moby Lines Europe GmbH and travel agencies. The term "passenger" designates any person transported in accordance with the present general terms of passenger and vehicle transportation. The passenger is asked to observe the transport company's and the ship commander's Italian and foreign regulations and orders (both those of the contractual transport company and the transport company actually carrying out the transport). The term "transport company" and/or "carrier" refers to the company Moby S.p.A. with registered office in Largo Augusto 8, 20122 Milano, Italy or to the company carrying out the transport. Moby S.p.A. expressly reserves the right to assign the transportation job to other ships belonging to our company or to other western European shipping companies, even after the signing of the contract. If the contractual company does not carry out the transport, the company carrying out the transport assumes responsibility for the transportation pursuant to article 1681 cod. civ. [Italian Civil Code] and the European regulation CE/392/2009. Therefore, the passenger also has the right to proceed against the latter. Further, in case of complaints concerning the contractual company or the company carrying out the transport, the passenger may contact Moby S.p.A. Complaints will not be taken into account if Moby S.p.A. Milano or Moby Lines Europe, Wiesbaden has not received it within 30 days after the date of departure (by ship).

1.-TRANSPORT REGULATIONS: The purpose of the contract consists in the transport of natural persons and luggage carried along, regulated by these General Terms of Transportation, by article 396ff of the Italian shipping right as well as, from December 31st 2012 on, by the European Regulation CE/392/2009. A summary of the requirements of this regulation about passenger's rights can be withdrawn on www.mobylines.com and is laid out at the check-in-counters. The transport of vehicles carried along is regulated by the Italian law of carrying objects on the sea (Art. 419ff of Italian shipping right) as well as by the General Terms of Transportation Regulations given hereby. The information about rights of passengers referring to the regulation UE/1177/2010 lay out on board of the ships as well as at check-in-counters. Following Art. 19.6 of the European Regulation UE/1177/2010, the minimal value foreseen for financial compensation is 6 (six) €. Below, it is not. The name of the ship conducting the transportation serves merely as a vague point of reference, since the transport company may use another ship or a ship from another transport company. The transport company does not assume liability for losses that passengers have to sustain due to delay or cancellation of the transportation, events that are caused randomly, by force majeure, bad weather conditions, strikes, technical faults due to force majeure or other reasons beyond the company's scope of influence. The commander is entitled to change the intended course of the ship if events occur that may put the safety of the ship and the passengers at risk. The published offers and conditions may be subject to changes until the boarding cards are distributed. With regard to liability regulations concerning the transport of passenger, vehicles and other, which is not included into these general terms and conditions, we explicitly refer to the applicable provisions of the Italian Shipping Code. Passengers are responsible for their luggage and the items contained therein until the moment of embarkation. The scheduled crossing times are approximated values and their calculation is based on the distance between two ports and good weather conditions. Published timetables and prices are subject to change. The transport company does not assume liability for delays due to measures taken by port staff. Please take with you a valid brochure for there are among others important telephone numbers within.

2.-VALIDITY OF THE TICKET: The ticket is issued under a name, is non-transferable, and is valid for only those crossings specified on the ticket. The passenger is to keep the ticket and present it on request of an officer or a representative of the transport enterprise. Should the passenger not be in possession of a valid ticket, twice the regular ticket amount was be charged and compensation for damages was claimed. Letters of confirmation issued from travel agencies for crossings cannot be accepted. For incorrect information on the number of persons, vehicles, etc., the balance is to be paid immediately. In case of incorrect information on lengths, widths and heights given, passengers may be placed in a waiting list and embarkation can be refused. By the order of the ticket, the client has to control and verify his data and facts in his reservation and has to check, if all vehicle-specific data match with the vehicle registration. Open date tickets cannot be issued. For bookings performed in Italy the Italian travel conditions apply. Moby doesn't take over any responsibility for a wrong ticketing.

For modifications made in Italy the Italian traveling conditions apply. Tickets manually changed and not provided with a MOBY stamp will not be accepted.
For partial cancellations (e.g. decrease in the number of persons, cabins, etc.) fees as shown at point 3 will be charged.

Subsequent reductions in price and/or the addition of special tariffs (even for a limited time) during the season by the transport company are possible, but cannot be applied retrospectively or on already existing bookings.

The terms of application apply that are announced respectively at the special tariffs on the web site www.mobylines.com.
